TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other: The claim amendments contain numerous additions and deletions of text that are not properly underlined or struck-through/bracketed. Line 3 of claim 1 recites "apparatus," wherein the comma after "apparatus" is not underlined as new text but was not present in the previous version of the claim. Claim 1 also recites "said front side" in lines 5 and 7; the word "said" is underlined in both citations, but was present in both citations in the previous version of the claims, and is therefore not new text. In addition, claim 10 recites "wherein thermoplastic substrate" in lines 1-2 of the claim; however, the previous version included the word "said" in between "wherein" and "thermoplastic." Thus, text has been improperly deleted from the claim.
